## EXPANSION

By L. Ron Hubbard

It is not very hard to grasp the basic principle underlying all organisation.

It is an empirical (observed and proven by observation) fact that nothing remains exactly the same forever. This condition is foreign to this universe. Things grow or they lessen. They cannot apparently maintain the same equilibrium or stability.

Thus things either expand or they contract. They do not remain level in this universe. Further, when something seeks to remain level and unchanged it contracts.

Thus we have three actions and only three. First is expansion, second is the effort to remain level or unchanged and third is contraction or lessening.

As nothing in this universe can remain exactly the same, then the second action (level) above will become the third action (lessen) if undisturbed or not acted on by

an outside force. Thus actions two and three above (level and lessen) are similar in potential and both will lessen.

This leaves expansion as the only positive action which tends to guarantee survival.

We intend to survive.

To survive, then, one must expand as the only safe condition of operation.

If one remains level one tends to contract. If one contracts one's chances of survival diminish.

Therefore there is only one chance left and that, for an organisation, is expansion.

### PRODUCT

To expand, any company needs a demanded product and will and skill to produce and deliver it. It can be a service or an item.

If a company has a demanded product and will and skill to produce and deliver it, it must organize to expand. If it does it will survive. If it organizes to stay level or seeks to grow smaller it will perish.

This is easily observed in nations. Whenever one seeks to remain the same or to lessen itself it usually perishes. It need not seek only to expand its borders. It can also expand its influence and service. Indeed, the effort to expand borders in a nation without increasing a demand for its influence and products is a primary cause of war. If a nation expanded the demand for its influence and products it would expand without war. When a nation seeks to merely expand by force of arms and does not expand the demand for its products one gets a dark age or a least a social catastrophe.

Rome, early on, was in great demand for its social technology and manufacturing skill and only a cruel streak in her made her wage war to expand. Britain, for instance, was ready to welcome Roman baskets and pottery and art and had been demanding them for nearly a century when Caesar's vicious ambitions actually wrecked the smooth progress of Rome by enforced expansion by arms in excess of the demand for Roman products. This was one Roman product nobody wanted - Caesar and his legions.

Buddhism, earlier than that, expanded continuously as it never sought new extension of territory other than that of learning.

Britain of the twentieth century actively sought to contract her empire and did so to the tune of internal economic catastrophe.

### SINGLE PRINCIPLE

Thus it should be obvious that contraction leads to death and expansion to life providing that one maintains a demand for itself and the will and skill to produce and deliver a product.

If, as ours is, the product is very beneficial and if we continue to produce and deliver, the demand is assured.

We are building a better universe. It has not been a good universe to live in so far but it can be.

### CORRECT EXPANSION

Expansion which when expanded can hold its territory without effort is proper and correct expansion.

Hitler (like Caesar) did not "consolidate his conquered territory". It was not possible to do so, not because he did not have troops but because he didn't have a real demand for German technology and social philosophy before conquering. Thus Hitler lost his war and fascist Germany died. It is almost impossible to consolidate territory where one was not invited in in the first place and force had to be used in order to expand.

You can stimulate demand. You can create it. But you may only comfortably and properly expand into demand.

Thus areas taken purely by force of arms can never be held by force of arms in the absence of demand for product and thus demand by the area for occupation and consolidation.

As we have a product that frees in an ultimate sense and deaberrates there is, of course, an end to the game. But it is so far ahead, embracing a whole universe, that it requires minimal consideration.

Expansion requires area to expand into. And we are in no danger of running out of that.

If we were dependent, as nations often think they are, on boundary expansion on one planet, or into one planet's populations as companies think they are, we would have brakes on expansions due to territorial or population limitations alone. But we are not likely to encounter such barriers for a period of time so long we can consider our expansion potential as infinite - and are the only organization that honestly can so consider. We are not conquering land in the government sense anyway.

Only a Scientology organisation has an unlimited horizon. But any organization must expand to survive.

It is easier to expand than to "remain level".

Organizations and units which do not expand cannot stay level and so contract.

Scientology organizations are designed for expansion. All our policy is built on EXPANSION. We will expand and our expansion will continue.

# WORLD WIDE DEMAND FOR SCIENTOLOGY BOOKS

Again and again, as he has advanced in his researches into the human mind and spirit, L. Ron Hubbard has made his discoveries known in book after book. It is a measure of the scope of his researches and discoveries that twenty eight Scientology and Dianetics books have been written by L. Ron Hubbard – and more are on the way!

Today, there is a world-wide demand for these remarkable books. Men and women in all walks of life are recognizing the truth revealed in them and the demand for more and more books is growing daily.

## Demand for translations

In the non-English speaking countries the demand is for translations of L. Ron Hubbard's books into other languages.

Coordinated by the Scientology Publications Organization A/S, based in Copenhagen, translators are hard at work translating Ron's books, as follows: –

*Dianetics: The Modern Science of Mental Health:* French, German, Swedish, Spanish, Hindi and Portuguese.

*Scientology: A New Slant on Life:* Danish, Portuguese, Urdu, Hindi, Punjabi, Dutch, Afrikaans, and Swedish.

*Problems of Work:* Spanish, Portuguese, Afrikaans, Dutch, Swedish.

*Phoenix Lectures:* Danish.

*Scientology: The Fundamentals of Thought:* French, Portuguese, Afrikaans, Swedish and Spanish.

*Self Analysis:* Swedish and Dutch.

*Axioms and Logics:* Spanish and Swedish.

*Dianettes 55!* French.

*Creation of Human Ability:* Dutch.

*Introduction to Scientology Ethics:* German.

*Dianetics: The Evolution of a Science:* Finnish, Norwegian, German, Swedish and Dutch.

Translation work is now being carried out in Belgium in answer to the demand by Flemish speaking Belgians for Ron's books. In Japan, the preliminary work has already been carried out prior to the translation of "Dianetics: The Modern Science of Mental Health" into Japanese. Offers from Scientologists eager to translate Ron's books are pouring in.

The dynamic expansion of Scientology around the world makes translation of Ron's books a vital and pressing project. Scientologists skilled in translation are requested to contact:

## Bookstores, Colleges, Libraries

"Dianetics: The Modern Science of Mental Health" is enjoying a tremendous nationwide sale in the U.S. paperback edition. At the same time, bookstores in all areas of the world where there are Scientology Orgs. are busy selling Scientology books. New Yorkers, for example, are buying their Scientology books from over 300 bookstores in and around the city. Similarly, San Francisco has 125 stores selling Scientology books throughout the city and surroundings. Readers discover for themselves the truth contained in Ron's books and hurry to their local organization for Scientology training and processing.

At the University of California at Davis, Scientologist JERRY SIMMONS is giving very popular classes in which his students study "Dianetics: The Modern Science of Mental Health". Jerry is said to have the highest student rating on the campus! Jerry is well known as the author of three books of which the best seller is "It's Happening", now in its seventh printing.

Students in four classes given by IRA GORDON, philosophy lecturer at Dowling College, New York, now have "Scientology: The Fundamentals of Thought" as their class textbook.

Students at 31 universities in the USA, England and Australia are buying their Scientology books at Student Bookshops. These include the University of California, Stanford College, San Francisco State College, University of Hawaii, University of Oregon, University of Nevada, Syracuse University, University of Pittsburgh, University of New South Wales, Australia, and the Imperial College of Science and Technology, London. Scientology books are now easily available to general readers in 21 important Public Libraries including the National Library of Australia, the Public Library of Honolulu, the Los Angeles County Public Library and the San Francisco Public Library.

The international display of Ron's books gives a hint of the tremendous expansion of Scientology around the world.

## TRUTH

In the past, the highest knowledge of Man, then attained, was frequently kept a secret, carefully guarded by a small group.

Huge quantities of these matchless books are being printed and reprinted to meet Man's hunger for Truth. # Celebrities Take Up Scientology

## "THE PEOPLE"

Members of "The People" rock group with Advanced Org. Los Angeles staff. Left to right: Dennis Fridkin, John Tristal, Lt. Cmdr. Yvonne Gillham, Seated: Albert Ribisi, Geoff Levin.

Since they entered Scientology in March 1968, the career of the popular Rock group "THE PEOPLE" has been on a powerful upward climb. From being virtually unknown, they have had their songs in the Top 40 of US record sales, appeared twice on Channel 9 TV in Los Angeles and were on the American Bandstand TV Show on February 8. Their first album, "I Love You" has now been followed by a second album, "Both Sides of The People", released by Capitol. They are definitely on the way UP!

The band has three OTs, a Clear and a Grade IV Release and is managed by an OT and a Clear! They are ROBBIE LEVIN, OT V, the first to have auditing, ALBERT RIBISI, Clear 1766, who was the first to discover Scientology, GEOFF LEVIN, OT V, DENNY FRIDKIN, OT II, and JOHN TRISTAL, Grade IV Release, and managers, STEVE HATHAWAY, Clear, and ARNIE ALPERT, OT III. Robbie, Denny, Geoff and Albert were all audited to Grade IV Release and trained on the Hubbard Dianetic Auditor's Course at Scientology Center, Santa Clara, California. Robbie has begun the Saint Hill Special Briefing Course at the American Saint Hill Org.

The band, which has toured all the US Scientology Orgs, is in strong demand for Scientology Con-

gresses and special events. The talented members of the group write most of their own music and play a range of instruments including the organ, mouth harp, guitar, drums, sitar, mandolin, trumpet, banjo and cello.

The group has joined the Sea Org and plan to do a US tour for the Sea Org. As an example of what can be expected from this tour, in May 1968, they played at a fair in Santa Clara where members of the Santa Clara Center handed out Scientology leaflets among the 15,000 people attending. The band received a standing ovation, an almost unheard of event at the fair, and people in the audience were so enthused that they offered to help pass out the Scientology leaflets! Next day, with 20,000 people in attendance, they again received a standing ovation and a popular disc jockey telephoned the Santa Clara Center to assist in the promotion of "The People" and Scientology!

In April, "The People" put out a new single record, "Ulla", written about ULLA NEESE, "Vogue" fashion model and O.T.VI.

## Costume Designer

BOB MAGAHAY, a leading Hollywood costume designer for 16 years, became Clear 1747 in January 1969. Bob was introduced to Scientology on 13th June 1968, by DON RIESAU who also introduced STEPHEN BOYD, OT VI, to Scientology when the three were at work on the film "The Slaves". Wasting no time, Bob started his processing seven days later at the New York Org.

Bob has worked on many films during his successful Hollywood career, including the famous biblical epic "The Ten Commandments". He has been nominated for an Academy Award and an Adam and Eve Award for his work on "A Pocketful of Miracles".

After completing some sections of the OT Course at the Advanced Organization, Los Angeles, Bob will do two or three more films then return to the American Saint Hill Organization for the Saint Hill Special Briefing Course in September 1969.

As a Scientology Clear, actress Marie Antoinette Benoit is enjoying a soaring career in the entertainment world.

## Film, Television and Stage Star

Infectiously happy stage and film actress, MARIE ANTOINETTE BENOIT, is now appearing in the New York run of the film "The Song and The Silence". In 1967 she was deeply depressed and thin,

affected by the dark mood of the play "Marat de Sade", in which she played the role of Simone. She became so miserable that she had to leave the show. Learning about Scientology, she went to the New York Org where she received her first auditing. When she rejoined the show the other members of the cast were amazed at the change in Marie Antoinette. She was happy! Today, Marie Antoinette is Clear 1482 and is enjoying the expansion of her career.

In the winter of 1968, Marie Antoinette received her auditing to Grade IV Release and trained as a Class O Auditor at the New York Org. By summer, she was at the Advanced Org, Los Angeles, where she went Clear. One of her most satisfying wins from Scientology was the ability she gained on the Communication Course to effortlessly handle producers and directors in interviews and auditions.

During 1968 Marie Antoinette worked on various films and stage productions. She has appeared in the films "The Tiger Makes Out" and "The World of Henry Orient". Being a talented dancer, she has also played in such musicals as "South Pacific", "Bye Bye Birdie", "Flower Drum Song", "Finians Rainbow" and "Can Can" as well as being seen on television in "The Patty Duke Show", "Naked City", "Exploring" and "The Nurses".

Now enjoying her new-found ability to fully create a character in a performance and then to "return to herself" after the show, Marie Antoinette plans to use Scientology to further explore her art. She intends to become OT, to direct her own films and to help other people to reach the state of Clear and OT.

# THREE SAINT HILLS-THREE ADVANCED ORGANISATIONS

**In March, this year, the number of Saint Hill Organisations and the number of Advanced Organisations leaped to three**

## DENMARK

A magnificent new Organization, the Advanced Organization Saint Hill Denmark, has been established in Denmark, on L. Ron Hubbard's orders, to deliver the Hubbard Dianetic Auditor's Course, Power Processing, Solo Audit Course, Clearing Course and the O.T. Course Sections from I to VI plus the Saint Hill Special Briefing Course and the Class VIII Auditor's Course!

The Advanced Organization Saint Hill Denmark (AOSHDK), established for citizens of Europe, South Africa, Australia, New Zealand, India and Asia, is now in full operation. The Organization is situated in beautiful agricultural countryside in the northern part of the island of Sjaeland, Denmark.

## USA

In Los Angeles, California, the American Saint Hill

Organization (ASHO) and the Advanced Organization Los Angeles (AOLA) are delivering these matchless services to citizens of the U.S.A. and Canada. ASHO delivers the Hubbard Dianetic Auditor's Course, Power Processing, Solo Audit Course and the Saint Hill Special Briefing Course while AOLA delivers the Advanced Courses, the Clearing Course and the O.T. Course Sections from I to VI. AOLA also delivers the superb Class VIII Auditor's Course.

## UNITED KINGDOM

In England, Saint Hill, the original home of the Saint Hill Special Briefing Course and the site of Ron's incredible research into the realm of the mind and spirit for eight years, continues its proud tradition. Citizens of the United Kingdom make Saint Hill their goal for the Hubbard Dianetic Auditor's Course, Power Processing, Solo Audit Course and the Saint

Radiant Ulla Neese, a "Vogue" fashion model, attained OT VI recently at the Advanced Org Los Angeles. A Sea Org member shares her joy.

Hill Special Briefing Course.

The Advanced Courses and the Class VIII Auditor's Course for UK citizens are delivered by the Advanced Org United Kingdom (AOUK) in Edinburgh, Scotland.

## 38 ORGS

Scientology Orgs span the world. The three Saint Hills and the three Advanced Orgs represent the pinnacle of a pyramid of Scientology Organizations now numbering 38!

They include the three Saint Hills and three Advanced Orgs. The figure does not include the Scientology Foundations which are additional and separate Scientology Orgs operating in the evenings and weekends, using the same buildings as the daytime Orgs. Taken all together, the number of Scientology Organizations delivering Scientology Technology throughout the world is tremendously impressive

and speaks of the power of Scientology's influence and its rapid growth.

Students and preclears are flowing, in ever increasing numbers, through their local Organizations to the Saint Hills and Advanced Orgs for their next steps on the Road to Total Freedom.

## CLASS VIII

The return to their Orgs of the Class VIII Auditor's Course trained at the Sea Org Flagship or at any of the three Advanced Orgs, has had magnificent results. Now there is 100% Standard Technology and 100% gains for every student and every preclear.

The photographs on the following pages give a hint of the high-powered activity of Saint Hill UK, the American Saint Hill Organization, the Advanced Org UK, the Advanced Org Los Angeles and the Advanced Org Saint Hill Denmark.

# 100% STANDARD TECHNOLOGY BRINGS 100% GAINS

There are now three Advanced Orgs in the world conducting the special Class VIII Auditor's Course. To this course comes the cream of Class VI and Class VII Auditors. Magnificent training at the Advanced Orgs, under the supervision of Class VIII Sea Org officers, is producing rapidly growing numbers of Class VIII Auditors who administer and ensure that others administer 100% Standard Technology. In all Orgs, the Class VIIIs are safeguarding training and processing standards so that, today, every student and every preclear has 100% gains.

Students and preclears are writing about their wins with great enthusiasm. Here are just a few of their letters:

## Student's Wins

"Wow! To really release a being on Problems - it was like my own Grade I release all over again. What beautiful processes! All you people out there who have had your grades and no training and feel that training has nothing to do with being released on a grade - man, forget it! Training gets your grades in solid."

Barbara Beckley, Class I  
New York, USA

"Knowledge is power and 100% Standard Tech gives you 100% knowledge of man - what he is, why he behaves the way he does. And - which is the important part of it - it gives you the ability to handle whatever is the way for a person to move up to total freedom. The Class VIII Course is so simple. Whatever confusion you might have just blows away, leaving you with certainty, simplicity and power."

Malin Anderson, Class VIII  
Saint Hill

"To have graduated today a Provisional Class VIII is the most privileged and fantastic experience of this lifetime.

I know I can now apply 100% Standard Tech and see that others also in their turn will do it.

My own purpose within the Scientology team has been so much strengthened and the goal of freeing other beings is now a very seeable achievement for this planet and outward beyond its boundaries."

Mary Garlick, Class VIII  
Saint Hill

"I have just completed the Hubbard Professional Auditor's Course. I've made so many gains as a being on course. The training is beautiful. My knowingness has increased through training and I'd like to see everyone training to be auditors. The gains are so beautiful. Another thing that makes me happy is my ability to disseminate has really come up because of my wins on course."

Julie Drake, Class III  
New York, USA

"Being Clear and Wanting to become OT VIII as soon as possible I realized that the more training I have the better. Being audited is most definitely a very important part of "Knowing How to Know" but the application of the data which one obtains from one's training, really gives one the complete "Knowing of how to know". It has been wonderful to free other beings and gain the certainty which is so important in growing as a being.

Training truly has given me the true concept of how to apply the truth which will set us free."

Richard Moffatt, Clear, Level I  
Pinctown

"To every being who crosses the threshold of Scientology I say "get trained". Become valuable to your fellowmen. The gains I have had have been tremendous. My understanding of life has increased enormously. To be able to help another start on the Road to Total Freedom, I look forward and know that I will be there. I want you there with me."

Joan Pace, Class IV  
Bulawayo, Rhodesia

## Preclear's Wins

"Wow! Every release is better than the last!! I'm so happy that Scientology is. I'm so happy to be part of it."

Kris Crivello, Grade I Release  
New York, USA

"One blessed day, my oldest daughter came home and told me about Scientology. Man, I was ready for it, because I had learned that I could not handle life and needed help.

The first thing we, as a family did, was to take the Hubbard Apprentice Scientist course and we learned how to talk and listen to each other. More courses followed. Then auditing. Most of us are Power Releases now. It is wonderful to know in what direction to work, to be able to find misunderstandings, to be able to solve problems that could not be overcome before, to be able to talk freely to each other.

Now I can allow my kids to be free, because I have observed that their ethical standards became so high, that my interference would not only be superfluous, but harmful.

Can you imagine how things will be when we are all Clear?"

Al Reyenga  
Walnut Creek, Calif. USA

"I have watched Scientology auditing achieve fabulous results in the past and have achieved fabulous results myself but it was nothing compared to the results achieved since 100% Standard Tech arrived in Adelaide!"

Ian Arthur  
Adelaide, South Australia

"I have just had my Level IV Auditing and the whole pattern of my life has fallen into place! This is very enlightening. I must add that I am amazed at how able I really am!"

Mike Smith, Grade IV Release  
Durban, South Africa

# Saint Hill Field Staff Members Receive Awards For The Eighth Time

On the 31st December 1968, the Eighth Saint Hill Field Staff Member Award Programme closed and valuable awards were made to the Field Staff Members who contributed to the success of this programme. ## ORDER THESE FASCINATING TAPE LECTURES BY L. RON HUBBARD

### MAN'S SEARCH AND SCIENTOLOGY'S ANSWER

Don't study the writing of the sages to find out about Man - study Man! In this tape L. Ron Hubbard shows that Scientology isn't an erudite, theoretical subject, but one which says the world can be understood.

In the second lecture - HISTORY OF RESEARCH AND INVESTIGATION - Ron describes the deterioration of Man's concept of the spirit from Greek days to now and its connection with Man's increase of mechanical ability.

LISTEN to these absorbing lectures and learn more about Scientology - the Religious Philosophy that culminates Man's traditional search for Truth and Freedom. Two lectures on each 7" reel (3/4 inches per second)

## Poet's Corner

Vast, infinite at will  
We sit thru' the sun's rays  
Waft softly in a cloudless night sky  
We know Truth

Come dance with me in the stars  
and we'll shake universes with our laughter.  
Others will come, laughing too  
as they see the simplicities  
of the game we played.

Now we burst up and out  
Loving as before,  
Noble,  
and sometimes perhaps  
a little mischievous?

Richard Bizzell

## RECOGNITION

Flows reach out  
From you to me,  
From me to you, and back to me.

Interchange of laughter,  
Crescendo of delight,  
You grin at me and the world seems right.

Appreciation heightens,  
Admiration shows;  
Affinity, Reality, Communication flows.

Warmth encompasses,  
Understanding grows,  
Distance shortens, ebbs and flows.

Sudden recognition  
Glistens in your eyes,  
And I burst with gladness in a thousand skies!

Stella King,  
Sea Org.

# FOCUS ON SUCCESS

## "He knows so much about everything"

A Greek gyro engineer ripped the whole tip of his  
finger back. The edges being under the nail made  
suturing unsuitable. The injured finger was dressed.  
A 22 minute Touch Assist was given. (Touch Assist:  
a simple, easily done process that can be applied to  
anyone to help them to recover more rapidly from  
accidents, mild illness or upsets).

As an intelligent man, an ex Boy Scout and a person  
with interest and experience in first aid, he was very  
interested in the Touch Assist. He was bright at the  
end of it and had so much relief from the pain. Re-  
markable considering the brutal severity of the inju-  
ry.

He came back to me that evening for replacement of  
the outer dressing because the initial one was soiled.  
He asked me where I had got the information about  
Touch Assists from. I told him The Commodore, L.  
Ron Hubbard.

In an awed voice he said, "Who is this man? He  
knows so much about everything! He knew all about  
gyros except a recent modification attachment. But  
he asked me questions about this and soon he knew  
all about this, too! He is a fantastic man!"

Dr. Steve Jarvis  
Flag Medical Officer, Sea Org  
15.3.69

"I first read 'Dianetics: The Modern Science of  
Mental Health' by L. Ron Hubbard on August 9th,  
1960. My first reaction was of tremendous relief and  
of hope. At last, here was a clear explanation of the  
mind, of why I was the way that I was (I had many  
troubles) and an exact method of improving my life.

I had tried many things, Religions, Systems of  
Self Improvement and Psychology, and had come to  
the frightening conclusion that nothing could really  
be done about the way one was. What a relief it was  
to read "Dianetics"!

I have come a long way since then, with the help  
of Scientology, but I want to say that the basic un-  
derstanding of the mind, gained from 'Dianetics',  
has been of the greatest benefit to me, all the way.

I couldn't have done without it."

DAVE HELLAWELL, Class VI, Clear  
463,

Palmerston North, New Zealand

"I read 'The Problems of Work' by L. Ron Hub-  
bard during my first contact with Scientology in  
1961. From this book I gained a new awareness on  
how I could handle my life better - and when I tried  
the things the book directed, I found that they wor-  
ked!

This was a new experience after finding so many  
things that didn't do what they so brightly promised.  
So I stayed with Scientology and have not been dis-  
appointed!"

MARY JANE JEWELL, O.T. VI, Class  
VIII.

Los Angeles, U.S.A.

"It's incredibly beautiful taking any basic data  
from Ron's books and applying it to life. Sweeping  
changes result. Living becomes beautiful fun when  
one understands the rules of the game. And even  
more when you recognize that you can create infi-  
nite games and be at cause in them. The books tell you  
why and how."

JAMES ZAK, Clear 711,  
New York City, U.S.A.

"The first gains I ever felt were after reading  
'Dianetics: The Modern Science of Mental Health'. I  
felt that with a promise like the one L. Ron Hubbard  
offered, the sooner I acted upon it, the better. I felt  
full of HOPE. Since then, I not only feel hope, but a  
new sense of ability and belief in myself. And it's so  
wonderful that I want everyone else to feel it too!"

BRONWEN SHELL,  
Johannesburg, South Africa.

"I completed reading 'A New Slant of Life' by L.  
Ron Hubbard in November. Since then I have been  
applying the data from the book and it has made my  
life easier and a lot happier! This is a great book to  
start on the Road to Total Freedom with."

BOB WENDT,  
San Francisco, U.S.A.

Mario Fenninger, Class VIII, OT VI and interna-  
tional concert pianist, is congratulated by an admir-  
er after his brilliant New York Concert debut at  
New York's famed Town Hall. The normally conser-  
vative New York Times said "Mr. Fenninger is a  
powerhouse virtuoso in the grand manner and his  
program was there to prove it... Just to get through  
such an exhausting lineup would be impressive  
enough, but Mr. Fenninger often managed to blend in  
considerable finesse with the fireworks."
