CLASSIFICATION AND GRADATION
CHART - ABBREVIATIONS EXPLAINED

(Further Dianetics and Scientology abbreviations
and Symbols may be found on HCOB 23 August 1965)

The existing Gradation Chart is aligned to HCO Bulletin of 17 June 1970 Various C-IV Grade Processes and that HCOB may be used as a reference when staff are learning or drilling the Grade Chart (along with the Scientology Dictionary).

The full names of abbreviations on the chart will be found on the above HCOB as will the actual processes used.

The process commands must not be drilled or used in any way to restimulate or self audit or "coffee shop" audit.

The following list of abbreviations has been made up off the Gradation Chart for convenience.

AO = Advanced Organization
ARC = Affinity, Reality and Communication
CCH 2 = Control, Communication Havingness Process (with gradient number following)
Comm = Communication
Comp Mag = Comparable Magnitude
