## Sector Operations Bulletin No. 22

Plans for Teegeeack

11 MAY 86

FREE ZONE ONLY

TELEC -

1400 GMT

11 MAY AD 36

This is going to be the most important planet in the Universe.

It will be the EXIT POINT, the training center for Auditors for the rest of the physical universe.

It will be a center of culture - of art, music, and knowledge.

Sector 9 will be a buzzing beehive of industry and activity again. The "game of games" will bring prosperity and a new future to this area.

I wish to thank all my friends in the Free-Zone and especially Capt. Bill, who carried on, in spite of great odds, on my behalf.

The tech is all in his hands and is ready for you now. I wish you all success with it.

When enough are ready for OT 17 and OT 18, I will return.

Until then, I'll keep the show on the road here, in this galaxy and others, to direct the attention and interest of all thetans toward what you - my friends - are doing there on dear old Teegeeack.

It was my home and it shall be again. Keep it beautiful and give it a New Civilization we can all be proud of.

By the way, you all can still communicate with me - haven't you ever heard of telepathy? (Joke).

Seriously though, I don't think you will ever be fooled again after you do the "Excalibur" level. That is the final barrier to your self-determinism, although some may want or need the OT Life Repair Capt. Bill worked out to fully appreciate your gains.

We all have a lot of work to do to prepare the way, so I bid you "Adieu", "Hasta Luego", "Auf Wiedersehen", and "Goodby" ... for now.

The future is ours, is theta's, is static's - forever.

Love,  
Ron,

Elron Elray
